NATURAL RESOURCE EDUCATION FUNDING PROGRAM

2008-2009 SCHOOL YEAR

The Redwood Region Logging Conference (RRLC) is interested in promoting educational opportunities that help students learn more about the management and conservation of natural resources in the Redwood Region.

Funding is available for curriculum materials, field trips and other educational activities that are designed to increase students' understanding and appreciation of forest, wildlife, fishery and water resources.

Eligibility: Kindergarten through 12th Grade

Funding: Cap of \$200 for single-class project/event or
Cap of \$300 for a multiple-class project/event

Time Line: Call for Proposals	September 1, 2008
Submission Deadline	October 31, 2008
Notify & Award Funds	December 1, 2008

Scoring Criteria:

Natural Resource Issue(s)	(10 Points)
Clarity of Realistic Goals	(8 Points)
Continued Educational Materials	(6 Points)
Number of Students Affected	(3 Points)
Itemized Budget Description	(3 Points)
Assessment of Students Learning	(3 Points)
Creativity	(2 Points)

MAXIMUM OF 35 POINTS

Submitted proposals will be reviewed and scored by the RRLC Education Committee along with an additional evaluation by an active teacher.

A minimum score of 15 points is required to qualify a proposal for consideration by the RRLC Education Committee.

RRLC Education Committee will fund the highest scoring proposals within the allocated budget each year. Additionally, the RRLC Education Committee may adjust the amount of requested funds on an application.

Awarded funds must be used during the school year that includes the above award date and all proposed projects/event are required to be an approved school activity.

Awarded applicants will be required to complete a Post Evaluation Report, which will be provided with awarded funds. Awarded funds will be made jointly payable to the teacher/school, as provided by the applicant on the RRLC Natural Resource Education Funding Application, within 10 days from the above award date.

This program does not alter the existing RRLC's reimbursement for bus transportation costs for authorized classes who attend the RRLC's Education Day and have submitted the required documents to the RRLC Office.

POST EVALUATION REPORT

DUE UPON COMPLETION OF PROJECT/EVENT
BUT NO LATER THAN
JULY 1, 2008

In order for the RRLC Education Committee to insure that their awarded grants are providing positive educational awareness of natural resources issues, we are requesting that you please provide a short one page narrative answering the items listed below.

This Post Evaluation Report may be used for promoting our grant program within the media and at our annual conference. Please feel free to include any photos and/or publicity received.

1. Give a brief summary of your executed project/event.
2. How well do you feel the project/event met your instructional objective and how was the project/event tied to your grade level Content Standards?
3. If another teacher were to implement this project/event, what suggestions would you give? Include strengths and weaknesses.
4. Provide a detailed account of the expenses incurred for the project/event.
5. Any additional information that you would like to include.

PLEASE RETURN COMPLETED POST EVALUATION REPORTS TO:
