Dear Friends,

We are pleased to announce that the Redwood Region Logging Conference and Equipment Show is just around the corner! On behalf of the Board of Directors, I hope you will accept this invitation to participate in our 74th annual event on March 15, 16 & 17, 2012, at the Redwood Empire Fairgrounds in Ukiah, California.

Everyone involved with the Logging Conference understands how challenging the timber industry is in today's economic climate. Your continued participation with the conference will help to strengthen and secure a future for the forest industry and assist in our ability to provide natural resource education to our local students.

**The Ukiah Fairgrounds will be accessible Tuesday, March 13, from 10:00 a.m. to 5:00 p.m. for the set-up of large equipment displays. Inside exhibit areas will be accessible Wednesday, March 14, from 10:00 a.m. to 5:00 p.m.** Tables and chairs will be available. All other items you may need can be purchased or rented locally.

Enclosed you will find the following:

- ✓ A registration form
- ✓ Insurance information
- ✓ Sales tax information form
- ✓ Maps of the exhibit area at the fairgrounds
- ✓ Special Event Information

**Please note that Vendors will be located in the Carl Purdy Hall & the Fine Arts Building.** Please select your first and alternate exhibit space choices, complete the sales tax information form, and make sure that your insurance company names RRLC as an additional insured and has forwarded endorsement documentation to us. You will need to return the completed registration materials to us, along with your remittance, as soon as possible. Space assignments will be given in accordance to past participation and after returning vendors have confirmed their intent to participate, new vendors will be given spaces on a first come, first served basis for the remaining spaces.

The Equipment Show officially closes at **4:00 p.m. on Saturday, March 17, 2012.** All displays *must* remain in place until that time.

Please have *all* of your Vendor Registration Forms returned as soon as possible. This year we have set a registration deadline of **February 24, 2012.** We hope to encourage you to get your application in early so we will have adequate time to prepare. Exhibit space confirmations will be mailed to you.

To make your registration easier, we have arranged to have a **“Shopping Cart”** on our Web Site for a secure

method to use your credit card to register for your vendor space as well as purchase tickets for all our events at the conference. Be sure to visit [www.rrlc.net](http://www.rrlc.net) and try this new method for your convenience.

**Again, please have your insurance company issue a Certificate of Insurance naming RRLC as additionally insured to be included when you return your registration form or confirm that it is being sent to us by your insurance company.**

RRLC is also required to provide information to the California State Board of Equalization. "Swap Meets, Flea Markets, or Special Events Certification" form (BOE-410-D) must be completed, signed, and returned to us whether or not you plan to sell product(s) at the show. ***Your registration form will not be processed until the RRLC office staff has received all of these items.***

Thank you so much for supporting the Redwood Region Logging Conference and we look forward to a very successful event.

Sincerely,

*Jack Drew*

Note: Your registration cannot be processed without your Certificate of Insurance information.

People who sell merchandise in California are generally required to hold a seller's permit.

You may not sell at this event unless you have a seller's permit or are not required to hold a permit. You are required to have a permit if you are selling, even temporarily, new or handcrafted items or used items you purchased for the purpose of reselling to others. You are not required to hold a permit if you are only making "occasional" sales, selling products that are not taxable when sold at retail, or selling on behalf of a section 6015 retailer.

Seller's permits can be obtained at any local Board of Equalization office at no cost to you. To find a Board office near you, call our Information Center at 800-400-7115 or check our website at [www.boe.ca.gov](http://www.boe.ca.gov). Permit applications can also be found online at [www.boe.ca.gov/sutax/subprograms.htm](http://www.boe.ca.gov/sutax/subprograms.htm). If you obtain a temporary seller's permit, the business address on your temporary permit should be the address of the temporary selling location and the mailing address should be your permanent place of business or residence.

**Occasional and Nontaxable Sales** - Occasional sellers are usually people who are not required to hold a seller's permit because they will not be making a series of qualifying sales. A person who has cleared their garage of used items accumulated for their own use and who sells only those items would usually qualify as an occasional seller, provided they make sales no more than twice in a 12-month period. Some sellers who make only nontaxable sales are also not required to hold seller's permits. Examples include sellers of fresh produce or other cold food products sold "to go." Please note, however, some food sales are taxable, including sales of food for consumption in places where admission is charged.

**Section 6015 Retailers** - Revenue and Taxation Code section 6015 relieves certain individuals of the requirement to obtain a seller's permit when: (1) the product supplier is a Board approved section 6015 retailer, (2) the product supplier reports and pays tax on the actual "retail selling price," (3) the individual is selling only those items purchased from the section 6015 retailer, and (4) the individual provides the name of the product supplier. Typical section 6015 retailers include multi-level marketing retailers that solicit sales through a network of individual salespeople/representatives (e.g., Avon, Tupperware).

Verification of a seller's status is required by law. Please complete all four sections of this form. Please print.
