Lyme Redwood Forest Co.

## 2022 Redwood Region Logging Conference March 17 – 19, 2022 ~ Eureka, CA

Dear High School FFA Advisor:

Greetings! This year's Redwood Region Logging Conference will be held in Eureka and the **High School Forestry Contest** is on **Friday March 18<sup>th</sup> starting a NOON** and concluding around 4:00. We would like to extend an invitation to you and your team to compete in our contest. The contest is open to all High School students in an Agriculture program, regardless of previous FFA event participation.

**There will be over \$2,000 in Cash Prizes to the top three individuals and teams** and winners will be announced shortly after the contest. All prizes will be mailed to your schools. (Each team participating who does not place in the top three will receive a participation award of \$100.)

In an effort to provide a quality contest it would be helpful to have a list of your team members sent to me ahead of time to get everything set up.

Please preregister by contacting the Redwood Region Logging Conference office at (707) 443-4091. **On Friday the day of the competition, we will be meeting at the Fairgrounds under the Grandstands.**

**We will be offering \$250 travel assistance per school competing** who need to travel from out of the County. If you have any questioning please feel free to contact me. Hope to see you all in March at the Redwood Region Logging Conference!

Sincerely,

*Katherine Ziemer*

Executive Director  
Redwood Region Logging Conference
